Kitchen faucet **Eisl ATHOS** Plus of first-class quality at an attractive price. The classic design of the faucet will seamlessly fit into any kitchen. The **Eisl Athos Plus** kitchen faucet is made of top-quality materials. It features a simple lever for mixing water in the optimal amount and temperature. Additionally, the long and movable spout offers an extended reach, making kitchen tasks easier.

Thanks to the attached flexible supply hoses, you don't have to bend any pipes when installing the faucet. Instead, you simply route the hose towards the corner valve.

We offer this battery in a variety of colors:

- Shiny chrome

Key features of the Eisl Athos Plus kitchen faucet

- comfortable one-handed control for greater freedom of movement
- rotating head with a range of 360°
- flexible metal connecting hose
- 35mm ceramic cartridge, replaceable, silent.
