The **CHAMBORD CLEMENCE** retro kitchen sink faucet is very popular for its unconventional design and high quality craftsmanship. This stylish kitchen faucet with rounded shapes fits perfectly into retro or vintage kitchens. The retro design is playful and eye-catching.

If you love original pieces with a touch of patina, then this style is right for you. Its undeniable advantage is that it never goes out of fashion! Vintage kitchens are tastefully furnished, cozy, practical, and romantic.

The advantage of the battery is its **easy maintenance**. For cleaning the battery, it is sufficient to use soapy water or products intended for plumbing fixtures. Abrasive or otherwise aggressive cleaning agents are not suitable. They can permanently damage the battery surface.

This battery is available in different colors:

- Ancient bronze
- Shiny chrome
