The **Classic 1010.10 ceramic sink from the Reginox brand** is manufactured in the Netherlands using high-quality materials. This ceramic sink will fit perfectly into any modern kitchen, as well as kitchens in Provencal, French, rustic, or retro style.

Sink with excellent utility features. The smooth surface of the sink is easy to maintain and clean. The sink is resistant to chemicals, does not absorb smells, and dirt or limescale do not stick to it. The sink has a long-lasting color and remains visually beautiful for a long time.

A practical sink that offers a combination of a bathtub and a drain. This will expand your workspace, make it easier for you to handle food and large containers. The bathtub can be used, for example, to drain food, defrost meat, or clean vegetables.

The sink will meet all your expectations with its advantages.

We offer in the color:

- Black ceramic sink - SALE! Only until stock lasts.

The ceramic sink is fired in kilns and the glaze is applied by hand, making each piece unique. It is necessary to take into account a tolerance of +/- 1-1.5 cm in size. We recommend having the sink physically with you to realize the kitchen unit.
