Key features of the SCHÜTTE WHITE toilet seat

- Toilet seat for all standard-sized WC bowls.
- Classic white design
- Thanks to the Duroplast material, which is extremely resistant to breakage and scratching, the toilet seat is particularly durable.
- Thanks to the smooth surface with pores, the toilet seat is particularly easy to maintain and clean.
- It includes complete assembly materials for quick and easy installation of the toilet seat.

Duroplast

The toilet seat is made of Duroplast composite material. Exceptional strength and durability are ensured thanks to the combination of thermosetting plastic and fibers.

Easy installation

The assembly is very simple, with the help of the attached instructions, anyone can do it in 5 minutes.
