Key features of the SCHÜTTE LIGHT WOOD toilet seat

- Toilet seat for all standard-sized WC bowls.
- Thanks to the extremely stable MDF material resistant to scratching, the toilet seat cover is particularly durable.
- The double soft-close mechanism ensures that the toilet seat closes slowly and quietly
- Thanks to its smooth surface, the toilet seat is particularly easy to maintain and clean.

MDF

MDF (medium-density fibreboard) is a composite material characterized by its hardness, flexibility, and durability. No adhesives are used in the production of wood fiber MDF boards.

SOFT-CLOSE

The toilet seat is equipped with the SOFT-CLOSE system. When closing, the seat smoothly descends down without any risk of damage or unwanted noise. Ideal not only for families with children.

Simple assembly

With the help of the included mounting kit and clear instructions, you will be able to assemble it within a few minutes.
